“ An all around good guy. I worked with him at North Shore Sanitary District. Without going into a lot of detail, he helped me with a project once when he didn't have to, and went out of his way to do so. I never forgot that.

“ Dave and I worked at the same company and quickly became friends. Every morning I would see him in the cafeteria while getting coffee. We would talk and talk, and have the nicest conversation. I knew his brother Marc from high school, but met Dave later. He was quiet and a bit shy, but had such a sweetness about him. He was a wonderful man and anyone that knew him, was blessed. To his family, my deepest condolences and may you feel God's peace in all the days ahead. Darlene Moe (Edge)

“ My condolences to the Brogan family. David had a great personality and a smile that would light up everyone around him. I have fond memories of him at the parties my brother Bernie would had. He will be missed.
