“ I called her "my little friend " while working at the soup kitchen and will miss not seeing her at 5:00 mass. A true doll in every way.

“ Joan was a longtime friend. We worked together at st. Anastasia’s and worked the soup kitchen as well. Recently I would pick her up for our regular breakfast meeting with other St. Annie’s folks. Loved her cheerful nature and humor. I am in Florida and am sad that I won’t be at her service. I have many fond memories and will miss her.

“ I’m so sorry to hear about “Aunt Joanie” as we called her. I have such fond memories of walking to her home from my grandparents house and being welcomed with her big smile and warm hugs. We were always offered a drink with cookies and loved playing in her backyard, specifically rolling down the little hill. Mark and Mike were great playmates out in the yard. I’m sure they were just being polite but we thought it was big fun to hangout with them. Both of your parents are fondly remembered. It was always a highlight to get to go to Aunt Joanie’s and Uncle Ed’s house when we visited.
With sympathy and love
