“ My heart is breaking for my big brother, and my nieces and nephews. And times are such now that our family can't even get together to say goodbye to our Robin. But, I know we are all together in spirit, and comforting each other every day. Rest in peace to my niece Robin. I know your mom was waiting to greet you and I know you will always be with your little girl, your dad, and your brothers and sisters, just watching from a new home. My brother is blessed to have such a great bunch of kids, and Robin will be missed so much by all of us. Bonnie, Jane, Shelley, Cori, Scott and Chris.... watch for dragonflies... they will find you. I love you all so much. Aunt Lesli
